A Study in 1st Corinthians – “Spanking the Saints”

1 Cor.9:1-27 ~ “When Rights Are to be Left in Order to Win”

1. Seeing people get saved is worth laying aside any or all of our freedoms.

2. The believer is to live life like it is a race that they really want to win!

3. In order to win we have to lay aside our freedoms, and make hard sacrificial choices to love others like Jesus.

4. There is an everlasting reward for all those who love sacrificially like Jesus.

5. My sacrifices should be strategic so as to bear fruit, and win the prize!
